THE CYCLE TOURING FESTIVAL IS BACK

A weekend of talks, camping, planning
and all things bicycle touring.

The place to come for anyone who's ever
been on a bike trip or fancies going on one.

Talks, workshops, drop-in sessions,
practical advice and story telling.

Meet like-minded people and dream big
over a cup of tea or a pint.

You don't need a bike or any experience.
Just buy a ticket online and turn up.
